FIBER OPTIC ADAPTER

DATAWAY Fiber Optic Adapter E2000 APC SM Simplex

Optical adapter for accurate connector alignment in patch panels, ODFs and FTTH distribution hardware.

Product Identity

BRAND

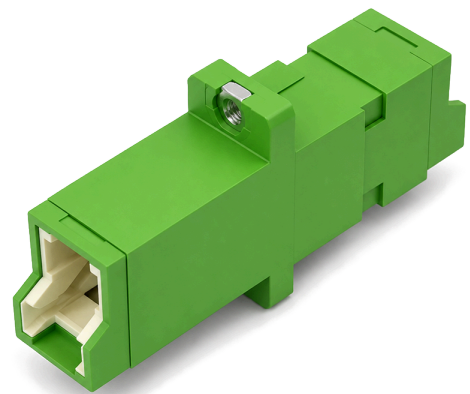

DATAWAY

PART NO.

DW-AD-SM-E2A-SX

EAN

8586026273960

Overview

DATAWAY fiber optic adapter provides mechanical alignment between optical connectors for structured fiber cabling, patch panels and passive optical distribution points.

Key Features

- E2000 connector interface
- Simplex adapter format
- APC polish compatibility
- 9/125 OS2 fiber compatibility
- Use in ODF, patch panels, wall boxes and FTTH access hardware

Technical Specifications

DATAWAY Fiber Optic Adapter E2000 APC SM Simplex

Ordering Information		Specification
Part Number		DW-AD-SM-E2A-SX
SKU		8474
EAN		8586026273960

Optical / Construction		Specification
Connector		E2000
Adapter format		Simplex
Polish type		APC
Fiber compatibility		9/125 OS2

Application / Performance		Specification
Application		Fiber patching, ODF, FTTH distribution and panel mounting
Alignment		Precision sleeve alignment reference
Network type		Singlemode or multimode optical structured cabling depending on model

Published Product Parameters		Specification
Connector		E2000
Fiber count		Simplex
Polish type		APC
Fiber type		Single Mode
