FIBER OPTIC CABLE

DATAWAY Fiber Optic Drop Cable 8-Fiber, G.657A2, LSOH, 3.6 mm

Bend-insensitive singlemode drop cable for FTTH/FTTx subscriber access and building cabling.

Product Identity

BRAND

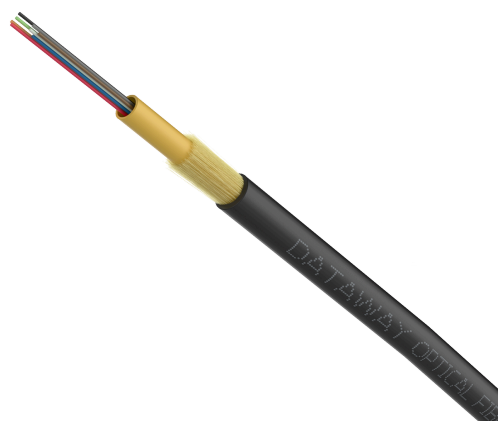

DATAWAY

PART NO.

DW-O-D-D-A2-LSOH-1000

EAN

8586026270037

Overview

DATAWAY fiber optic drop cable is designed for FTTH and FTTx access links, combining bend-insensitive G.657A2 fiber with compact cable construction for indoor, outdoor or aerial subscriber connections depending on the jacket type.

Key Features

- 8-fiber construction for FTTH drop and access cabling
- G.657A2 bend-insensitive singlemode fiber
- LSOH jacket for structured cabling installation
- 1000 m supply length
- Suitable for customer drops, building entry and passive optical access networks

Technical Specifications

DATAWAY Fiber Optic Drop Cable 8-Fiber, G.657A2, LSOH, 3.6 mm

Ordering Information		Specification
Part Number		DW-O-D-D-A2-LSOH-1000
SKU		S05403
EAN		8586026270037

Cable Construction		Specification
Fiber count		8
Fiber type		G.657A2
Jacket		LSOH
Cable diameter		3.6 mm
Package length		1000 m
Cable type		DROP

Mechanical / Performance		Specification
Operating temperature		-30 to +70 degrees C
Reaction to fire class		Eca

Published Product Parameters		Specification
Package length		1000 m
Weight		8.7
Connector		SC
Max. tlakov odolnos (N)		1000
Fiber count		(8)
Jacket		LSZH
