

Box FT-A-2SC

DATAWAY FT-A-2SC is a compact indoor FTTH optical box designed for terminating an optical connection at the end customer. The box allows the installation of 2× SC adapters (simplex) and provides basic space for storing spare optical fiber.

Due to its small dimensions, it is ideal for installation in apartments, offices and technical rooms, where the emphasis is on an unobtrusive and clean appearance.

Main features:

- Capacity: 2× SC adapters (simplex)
- Application: indoor FTTH / FTTx installations
- Dimensions: 86 × 86 × 24 mm
- Compact and unobtrusive design
- Space for storing spare optical fiber
- Easy wall mounting
- Durable plastic design
- Color: white
- Suitable for apartments, family houses and office spaces
