

Main Parts:

Brand	Description	Outer Diameter W (mm)	Outer Diameter H (mm)	Thickness(mm)	Length (m)
DATAWAY	100*50mm	100±3mm	50±2mm	1.4±0.1mm	2M

Size:

Specification:

Material: LSZH

Working temperature: -40 degrees Celsius continuous high temperature to 80 degrees Celsius.

Color: White

Function :

1. Good flame retardancy, high insulation, high temperature resistance, and not easy to deform.
2. Sealed design is dust-proof, rat-proof and has beautiful appearance.
3. High toughness, flame retardant, fireproof and moisture-proof.
4. Easy to install, easy to cut, and easy to connect with adhesive without leakage.

Certification:

CE , ROHS, UL94-V-0
